Dear ICoAS Colleagues

I am happy to inform that Indian Cost Accounts Service was (ICoAS) was constituted 44 years ago on 20th September, 1978 as a Central Service (Group A) through a Gazette notification no. A-12018/1/78-E.I.(A) of Government of India. During last 44 years, the ICoAS has been successful in leaving the significant impact on the government functioning with cost effective and efficient solutions. This has created the need of ICoAS Officers in various Ministries/ Departments/ Organizations, which has led to gradual growth of the ICoAS with present sanctioned strength of 230 Officers.

However, there are various challenges for the service. In the fast changing scenario, there is likely to be sea-change in the roles of ICoAS Officers and it is imperative to visualize future roles of ICoAS and reorient the service officers accordingly. With a view to have the well thought views/ suggestions of all ICoAS Officers, a workshop on "Vision ICoAS@2047" was conducted on 8th June 2022 in Office of Chief Adviser Cost during Iconic week of Ministry of Finance in the celebration of 'Azadi Ka Amrit Mahotsav', wherein ICoAS Officers presented their views showcasing their vision for ICoAS@2047. The groups deliberated the strengths/weakness of the service, probable areas of expansion, change of mindset and updation of knowledge to equip for the forthcoming challenges.

Keeping in view the vision of the government and SWOT analysis of ICoAS, the Office of CAC is in the process of finalizing the road map for ICoAS with short, medium and long-term milestones.

Conveying my heartiest Greetings on this auspicious ICoAS Formation Day, I express my sincere appreciation for the outstanding work performed by all the ICoAS Officers in different Ministries/ Departments. I am confident that all of you would make constant efforts to bring the ICoAS to new heights.

With Warm regards,

Yours Sincerely

20/9/2022
(Umesh Kumar Shukla)

To,

All ICoAS Officers.
